# SC21 Competitiveness Programme

## Cornerstone of the Supply Chain Solutions (SCS) Framework

## SC21 Award Process Flow

**Knowing how much you have improved is interesting, knowing how far ahead of the competition you are is essential.**

Supplier sends the Submission to the SC21 Programme Office (PO)

↓

The SC21 PO reviews the Submission

↓

**Does it meet the Requirements?**

— No → Submission rejected: The SC21 PO or the customer contacts explaining the raised concerns to the practitioner or participant and suggesting corrective actions

↓ Yes

The SC21 PO sends to the practitioner an Acknowledgment email

↓

The SC21 PO sends to the Industry Approval Board (IAB) the Submission

↓

The IAB reviews the Submission until the deadline
(20% of the no. IAB members rounded up to the next integer has to send a feedback)

↓

**Are all the feedback received positive?**

— No → (to Submission rejected)

↓ Yes

Submission approved: The SC21 PO sends a congratulations email to the Participant

→ The SC21 PO updates periodically the SC21 Register (online) and the Award Log (offline)

→ The Supplier attends 1 of the 3 SC21 events to withdraw the award
